COMMONWEALTH OF VIRGINIA

STATE CORPORATION COMMISSION

AT RICHMOND, MAY 25, 2001

APPLICATION OF

EVEREST CONNECTIONS CORPORATION
OF VIRGINIA

CASE NO. PUC010113

For cancellation of certificates of
public convenience and necessity

ORDER

On June 30, 2000, the State Corporation Commission ("Commission") issued Certificate No. T-492 permitting the provision of local exchange telecommunications services and Certificate No. TT-99A permitting the provision of interexchange telecommunications services to Everest Connections Corporation of Virginia ("Everest" or "Company") in Case No. PUC000073. By letter application filed May 3, 2001, Everest requested cancellation of its certificates of public convenience and necessity. The Company advised that it does not serve any customers in Virginia and desires the cancellation of its certificates "due to a change in business plans and a need to focus resources on other markets."

NOW THE COMMISSION, being sufficiently advised, will grant the requested cancellations.

Accordingly, IT IS ORDERED THAT:

(1) This matter is docketed and assigned Case No. PUC010113.

(2) Certificate Nos. T-492 and TT-99A issued to Everest Connections Corporation of Virginia are hereby cancelled.

(3) This matter is dismissed.
